Dear Mr. Morley:

We've been in our new space for about seven months and I wanted to send a note of thanks to bfi for all the work that was done to help us relocate into our new quarters with minimum disruption to our operations. Our employees are happy with the new office and we've received many compliments from visitors and clients with regard to the color scheme, office layout, and furnishings.

We are very pleased with the attention to detail and the response to follow up calls and questions we had along the way. I want to particularly recognize the efforts of Jill Shipani, MaryLou Jarosowicz, Andy Merzio and Scott Stange. Their talents and expertise were a great help to us in pulling it all together and they continue to provide assistance when needed.

Perhaps you can take the time to visit us and see for yourself how well the project turned out. Once again, thank you to everyone at bfi.

Sincerely yours,

MICHAEL BAKER JR., INC.
